Hi everyone,

I'm happy to announce the results of the Computing Science Student Society 2016 Vice Presidency Election.

There were 57 responses to the websurvey. Here are the results:

Your new **Vice President**, with 33.33% approval (19 votes), is **Daphne Chong**.

For everyone else,

Oscar Smith-Seiger received 26.31% approval (15 votes)

Jason Manshadi received 14.03% approval (8 votes)

June Kim received 8.77% approval (5 votes)

Brendan Chan received 1.75% approval (1 vote).

there was a 14.03% votes of no confidence (8 votes).

Thank you all for voting,
